Mr. V. J. Nystrom, City Engineer,
Longview, Washington

Dear Sir:

I have your letter of the 13th and am glad to note that you expect shortly to have the rubbish etc., cleaned away from the side of California Way as far as the Pioneer Bridge.

As to preventing future dumping, I realize it is a difficult task to keep people from dumping their trash and garbage almost any place in the city when they think the law is not locking. I might make this suggestion, that you offer a reward of \$25.00 for the arrest and conviction of any one caught dumping trash, etc. If this meets with the approval of the City Council and Police Judge and in the event any one is caught and convicted our Company will pay the \$25.00. Will you please advise me of your decision in regard to my suggestion?

Very truly yours,

Vice-President
