

# Post-Event Survey

Let us know how your event went and suggest program changes, if any, which can make the program better for future cleanup events.

Date: \_\_\_\_\_

Coordinator's name: \_\_\_\_\_

Neighborhood cleanup area: \_\_\_\_\_

How did your cleanup event go? Describe the positive aspects of the event.

---

---

---

---

---

---

---

---

---

Now that you have completed your first event, what changes would you make next time?

---

---

---

---

---

---

---

Overall, what changes would you recommend the City consider to make the cleanup program better for future events?

---

---

---

---

---

---

---

---

Any final comments?

**Thank you** for taking the time to coordinate this cleanup event for your neighborhood. The City appreciates the dedication and time commitments of you and all of the volunteers to make your neighborhood one that all of us can be proud of. The success of the NEAT program begins with one neighborhood at a time!
